Fundraising Update

Concessions

The goal is to have concessions at every varsity event.

Almost done with fall athletics - Profit of about \$4400. Softball ran their own mini-concessions and it worked well, Volleyball sales way up.

Will regroup to talk about next year's plans, especially regarding support for events at Everly- need better plans, improved facilities and more help. Boys and Girls Soccer will continue to be at Everly. Contact Tyler or Marlene to help.

School Store

Will start selling at lunches this week and continue every other Thursday (starting 10/20/22)

Inventory shipments have been delayed but are now finally updated. Sales year-to-date are about equal to all of last year.

Membership

Memberships at \$1855 YTD, the average donation is about \$75. Postcards requesting donations have been mailed. Social media campaigns will begin soon.

Gala

A new adults-only offsite fundraising event will be held on February 4th. Details are TBD -contact Kate if you want to help. RABC will not host other sales fundraisers (i.e. wreaths) so this will be the main event (in addition to the school store, concessions and membership)

Sponsorships -

Actively looking for sponsors. Contact Kate if you are interested or know a business that may be interested.

Dining for Dollars -

Chipotle is the first on Oct 24, 5-9pm. All parent orgs (RABC, SCEF and SCOPA benefit)

Disbursement

New general fund disbursement request forms are available and are due Nov 14th with voting/approval at the December 5th meeting. The process hasn't substantially changed.

Teacher Appreciation

Best in Class buttons have been distributed to the fall sports. Student-athletes recognize an impactful teacher by giving them a button. Good feedback.

RABC bought and served 90 conference meals for SCHS teacher and staff

Homecoming Debrief

BBQ - served 400 people. Parade went well.

RABC and Concessions provided soda and candy at the dance and small attendance incentives - beads, glow, bracelets

Request to try not to have softball on BBQ night
